Dear Hiring Manager,

I am writing to express my strong interest in the Junior Corporate Financier position at TalentKompass Deutschland. With a genuine passion for technology and numbers, proficiency in Microsoft Office suite, strong analytical and problem-solving skills, keen attention to detail, excellent communication abilities, and a results-driven approach, I am confident that I would be an excellent fit for your team. I would also like to highlight my ability to quickly learn new software, and I can provide a demonstration of my SAP knowledge during the interview, if required.

Throughout my career, I have excelled in various financial tasks, including conducting research on office expenses, managing payment accounts, maintaining meticulous financial records, overseeing financial transactions, processing orders, and performing inventory audits. I would be happy to provide further details about my career decisions during a personal interview, if desired.

Having lived in Ukraine and Austria prior to moving to Norway in January 2022, I have developed exceptional communication skills and the ability to effectively collaborate with individuals from diverse backgrounds. I thrive on building trusted relationships and fostering positive connections with colleagues and stakeholders.

Although my professional experience in Norway may be relatively limited, I have gained valuable skills through my volunteer work at the Embassy of Ukraine in the Kingdom of Norway, as well as my assistance in translating from English to Ukrainian for the Historical Museum. These experiences have further honed my language proficiency and meticulous attention to detail.

As a current holder of a residence card in Norway, I am genuinely enthusiastic about the opportunity to join the TalentKompass Deutschland team and to contribute to the success of your organization.

Thank you for considering my application. I would welcome the opportunity to discuss my qualifications further with you and explore how my skills and experience can contribute to the success of TalentKompass Deutschland.

Sincerely,

Anna Goetz
